FIGHT! Men's Study // Don Ador, Pastor Williams, & Others // Fellowship Hall

Are you ready to fight? That's right, God created each man with the heart of a warrior and the desire to fight for what's right. Whether you admit it or not, your marriage, your family, and your heart are in a battle zone and it's your responsibility to fight for what matters most. Join other men in our church as we fight together for what really matters in our lives.

Jesus Is _____ . // Jason Williams // Prayer Room

Jesus is a lot of things, but the answer is in the Bible. It says that Jesus is the Son of God, who came to earth on a mission to restore mankind to God. By living a perfect life, dying on a cross, and coming back to life, His mission was a success. We can know God because of Jesus. So, maybe the reality of who Jesus is remains too big for the blank. Men and women of all ages and walks of life are invited to join us as we learn about Jesus through this study.

Financial Peace University // Shay Tyler // FLC Room 204

Financial Peace University is a nine-week, DVD-driven course on money taught by America's most trusted financial guru, Dave Ramsey. Dave and his teaching team will walk you through the basics of budgeting, dumping debt, planning for the future, and much more!

Thriving at College // Sandy Adcox & Zach Winfrey // Fellowship Hall, Room 1

Thriving at College is about how college students can launch into responsible, fruitful adulthood for the glory of God against the backdrop of a young adult culture that often values perpetual adolescence and the avoidance of responsibility. It explores topics such as embracing responsibility, loving God with all your mind, growing in character and maturity, striving for academic excellence, balancing work and recreation, finding your calling, establishing godly friendships, handling the transition from high school to college, time management, and financial discipline.

The Book of Daniel // Martha McDonnough // Hospitality House

Through this study of the Old Testament book of Daniel, the ladies will learn about how God protected and provided for His faithful followers while in captivity, and they will learn about the vision of future redemption and the hope offered in the book.

Women of the Old Testament // Shari Jenkins // Location: TBD

This small group is learning about the *Women of the Old Testament* using a study guide by Gladys Hunt. Most of the women of the Old Testament would not make headlines in any other history book but God's. Yet the women made critical choices that led to extraordinary outcomes.

Book of Hosea // Carlos Duncan // PABC Sanctuary

On Wednesday nights, this group spends a special time dedicated to specific prayer, and then they are now studying the book of Hosea, which contains a collection of prophetic messages mixed with the personal life and marriage of the prophet Hosea.

Non-Wednesday Groups

Tabernacle // Wanda Duncan // Hospitality House

Every other Friday, this group of ladies gets together to learn about how God met with His people during the years in the wilderness. The Tabernacle was the holy place during this time in Old Testament history. This is a rich, historical study, and it's great for ladies of all ages.

GriefShare Support Group // Nellie Pilcher & Cheryl White // Hospitality House

When we lose someone we love, the grief and pain can sometimes be overwhelming. This group seeks to help us along in the journey from mourning to joy. It meets on Mondays at 7:00pm.
